

Universität Bayreuth, Campus Kulmbach, 95326 Kulmbach

Job Advertisement: Student Assistant

The Junior Professorship of **Global Nutrition and Health** (Prof. Dorlach) is seeking to hire a **student assistant (20 hours/month)** to support the professorship in its research and teaching activities.

Tasks

- Literature research and document collection
- Formatting of bibliographies and research documents
- Support in the preparation of teaching materials
- Administrative tasks

Prerequisites

- Good knowledge of MS Office software (esp. Word, Excel, PowerPoint)
- Very good English language skills
- Additional language skills (e.g. German, Spanish, French) are an asset
- Interest in qualitative empirical research on the politics of food, nutrition and health
- Diligence, flexibility and the ability to work as part of an international and interdisciplinary team

Benefits

- Flexible working hours (20 hours per month)
- Remuneration according to the university's standard rates for student assistants
- Insights into research and teaching activities in the areas of political science and public policy

Application deadline: **5 October 2021** (23:59). Please email your application documents—including a motivational cover letter (max. 1 page), CV, transcript of records of current and previous degree programmes, and, if available, an English-language writing sample (e.g. a term paper, seminar essay, or BA thesis)—in **one PDF file** to tim.dorlach@uni-bayreuth.de.

If you have any questions, please do not hesitate to contact Prof. Dr. Tim Dorlach at tim.dorlach@uni-bayreuth.de.
